**Dated:30-04-2011**

**Read:-**

From the Engineer-in-Chief (Projects II), Hyderabad, Lr.No.ENC/Projects.II/Hyd/KDS, dated 8.4.2010.

\*\*\*\*\*

**ORDER**

The Engineer-in-Chief Projects-II, Hyderabad during inspection to Krishna Delta System on dated:5-4-2011 and dated:6-04-2011 observed that certain structures are in good condition and serve for a few more decades and their re - construction may not be necessary at this stage. Hence, reexamination of such structures, is required by constituting a committee of 3 Chief Engineers i.e., 1) Chief Engineer, Central Design Organization, 2) Chief Engineer, Quality Control, Coastal Andhra Region and 3) Chief Engineer, Krishna Delta System.

2. In the circumstances reported by the Engineer-in- Chief (Projects-II) Hyderabad, in the reference read above, Government after careful examination of the proposal hereby constitute a committee of 3 Chief Engineers as follows:-

1. Chief Engineer, Central Design Organization.
2. Chief Engineer, Quality Control, Coastal Andhra Region and
3. Chief Engineer, Krishna Delta System./Godavari Delta System

3. The Committee shall examine the condition of all the CM &CD works which are included in the packages of Modernization of Krishna and Godavari Delta Systems and recommend specifically the structures which does not require reconstruction and furnish detailed report.
